Subject: Notice of File Closure and Release of Reclamation Surety, Marjorie Thomas, Blue Beauty 28 mine, S/045/0062; Tooele County, Utah

Dear Ms Thomas:

The Utah Division of Oil, Gas and Mining concurs with the findings of the Bureau of Land Management that the reclamation surety for the referenced mine site can be fully released.

The Notice of Intention to Commence Small Mining Operations, S/045/0062, will now be closed and the file retired. On July 21, 2009 BLM personnel conducted a surface compliance inspection at the site and concluded that reclamation, including revegetation, was satisfactory.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit new notices to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Leslie Heppler at (801) 538-5257. Thank you for your patience.

Sincerely,

Paul B. Baker  
Minerals Program Manager
